## **A Message from the Minister of Service Alberta**

Dear Conference Attendees,

On behalf of Service Alberta, I would like to extend my congratulations and best wishes to all attending the 2015 PIPA Connections Conference.

The information landscape has become increasingly complex. Online services and communication advances are shaping how we create, access and share information. Alberta's *Personal Information Protection Act* safeguards the privacy of Albertans while ensuring businesses and organizations have the information they need to operate.

Through participation in learning events like this, you are demonstrating a commitment to protecting Albertans' privacy rights. I hope that you enjoy the conference and gain new insights that can be applied in your organizations.

Sincerely,

A large, stylized handwritten signature in black ink, consisting of several loops and a long horizontal stroke.

Hon. Deron Bilous  
Minister of Municipal Affairs  
Minister of Service Alberta
